1. was my teacher

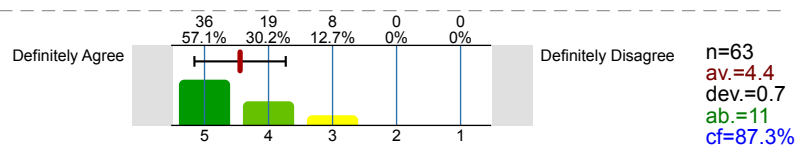

1.1)

1.2) The teacher communicated ideas and concepts effectively.

1.3) The feedback I received from this teacher has helped my learning and performance (select N/A if another teacher was responsible for providing you with feedback for this course)

1.4) Please comment on aspects of this teacher's teaching you think were particularly good.

- Always checked if we needed clarification on particular problems
- Always encouraging us to bring fourth our ideas and engages with them positively. Also challenges us to think in different ways that bolster our understanding.
- Amazing
- amazing at explaining and classes are very fun and interactive
- Cares a lot about his class. Very clear communication. Very good grasp of the concept. Best teacher I have.
- clear, informative, understanding, patient
- clearly answering of questions
- Encourages you to participate
- Encouraging to students and a good facilitator
- engaging
- engaging, hilarious, and brings in external info and material that is engaging and fun.
- engaging, interesting. fun

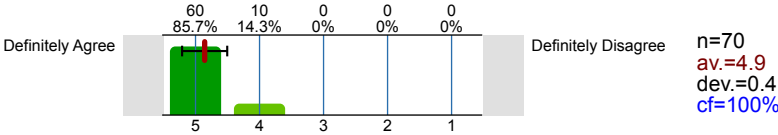

- Engaging teaching style, takes time to walk through each exercise and question. Provides space for discussion.
- explains concepts clearly even if they don't get across clearly the first time, open to questions
- Good talking with the class, he walks around engaging with us pupils and treating and making the most out of the class.
- Great activities
- He explains concepts beyond those covered in the lecture clearly.
- He explains this very well, and clearly. He always asks for feedback after class like how we found it, if he explained well etc.
- He finds different ways of explaining content which makes it easy to follow along.
- He gives a lot of examples and makes the learning process easier.
- He goes through concepts one by one if we don't particularly understand something
- He is really clear at explaining concepts and has always successfully clarified any confusions
- He is really good at taking student perspectives and integrating them into the lesson. He asks a question, and based on the answers we give, he explains a concept. This way, misconceptions are immediately addressed. His work on the board is neat, and he is able to explain this clearly and effectively.
- He keeps the class engaged and you can tell he cares about our learning and understanding of topics
- He was very engaged to help us understand the topic
- He's engaged with the content, explains it well and goes through the problem sets in an engaging way.
- His use of demonstrations with the class helps to both clarify, and to make concrete a number of abstract ideas. His quality of class teaching is very high.
- How the professor is teaching the class. He understands the students even when they don't say anything. Knows when to go in depth and discuss more.
- Interactive, uses whiteboards, lots of discussion
- Interactive and gets the answer out of you
- Interactive and simplifies concepts. Very patient.
- Interactive classes
- Lorenzo does a great job of explaining the more difficult concepts from the lectures. Further to this, he builds on the concepts with a rich understanding of the research.
- Lorenzo explains the concepts of each class in a way that is very easy to understand. He ensures that the class is understanding and learning the material, and is very strong when answering questions.
- n/a
- Strong Explanation of Concepts
- Super friendly and nice. Very easy to ask questions and reach out for help. Good class atmosphere
- The activities and openness to answer questions.
- The seminars are very engaging. The way we are allocated into groups to complete the problem sets is an effective way in learning the content.
- The teacher will send an email in advance to inform students of the content to be prepared for the class.
- Very clear and helpful in explanation
- Very efficient in seminars, he goes through the key points quickly and make sure everyone can follow
- Very energetic and encouraging. Nice guy.
- Very friendly, and enthusiastic about the topics, happy to explain things a second time when asked to
- Very fun seminars
- Very good capacity for explanation and facilitating understanding, as well as fielding student contributions.
- Very interactive and eloquent, classes are really fun
- very interactive and explanations are always great

- Very supportive
- Very well prepared, answers questions on the spot well. Passionate and articulate.

1.5) Please comment on aspects of this teacher's teaching you think could be improved.

- -
- -
- all good
- Basically nothing, except maybe time use.
- Better time management to cover more of the problem set
- Can pose more interesting (real world) case studies to complement theories discussed in class (can be a bit dry to only go through problem sets, feel rather formulaic at times)
- Can't really think of anything
- Changing groups more often. Shuffling between groups to hear different opinions and perspectives. Also meet new people.
- Could talk about how a lot of the stuff we do is quite simplified
- Everything good
- hes great
- I can't think of anything it's very good
- idk
- I don't believe I have any suggestions, I think he is a great teacher
- Learning could be more fast paced
- maybe include more of his own opinions
- Maybe speed up a bit more on concepts which are easier and leave more time for discussion.
- More feedback and more guidance regarding the assessments and upcoming topics
- n/a
- n/a
- N/a
- N/A
- N/A
- N/A
- Na
- None.
- None come to mind.
- Nothing !! The best teacher I have so far in my LSE journey
- nothing.
- not sure
- sometimes moves too slow
- Sometimes the seminar discussions go too slow, meaning that occasionally we don't get everything covered.
- Sometimes the teachings could be a little more straightforward
- The flow of the class could be improved. Sometimes I am not sure what are we doing.
- Top guy

1.6) Overall, I am satisfied with the teaching by this teacher on the course.
