- .
- Always available to answer any questions and makes the seminar engaging.
- Always enthusiastic and explains concepts well
- Classes are very engaging and always explained feedback and marking well.
- classes were interactive and fun
- Clear explanation of concepts and theories in relation to the problem sets
- Communication skills at the highest level. Top professor!
- Engaging classes, in addition Mr. Vicari explained every concept we had difficulties with in most clear and precise way.
- He is a very engaging teacher who integrates discussions and activities well. Offers opportunities for questions and inquiries. He guides the class well while also allowing us to probe certain aspects of the lesson
- He is fantastic. Very friendly and approachable, and takes a good amount of time breaking down concepts in detail. Incredible in office hours too, you can tell he cares a lot and actually wants you to succeed. Very glad to have had him as a teacher!
- I think he was super helpful and supportive, tried to make things as clear as possible.

- I think he's can lead discussions very well and very often shares his own ideas.
- Very clear when explaining concepts, I always look forward to his classes. A good balance between teacher led and student led discussion.

1.5) Please comment on aspects of this teacher's teaching you think could be improved.

- .
- Better time management because sometimes the time distribution across the problem set is quite uneven.
- I think he was great, but he had a bit of a problem with time-management. I believe that we would start off quite hard and late and a lot of the important information was crammed at the end which was a bit intense.
- Maybe more frequent feedback on works would be better.
